### REMARKS

Applicants hereby request further consideration of the application in view of the amendments above and the comments that follow.

More specifically, Applicants appreciate the indication that Claims 18-22 are allowable, and that Claims 10, 13 and 15-17 are objected to, but would be allowable if rewritten in independent format to include the recitations of the base claim and any intervening claims. *See* Office Action, pages 4 and 5.

In an effort to expedite allowance of the present application, Applicants have canceled Claim 7, without prejudice, and Claim 10 has been canceled in order to incorporate the recitations of Claim 10 into Claim 8. Accordingly, Applicants respectfully submit that pending Claims 8, 9 and 11-22 are in condition for allowance, which action is respectfully requested.

Should the Examiner have any matters outstanding of resolution, the Examiner is encouraged to telephone the undersigned at 919-854-1400 for expeditious handling.

Respectfully submitted,
